How can family caregivers regain hope and build resilience when dealing with feelings of ongoing loss while caring for someone with a chronic illness?

"Finding Meaning and Hope"

will explore skills that help you stay strong, healthy, resilient, and positive as you navigate your caregiving journey with healing and hope.

This 10-week discussion series features videos based on the book, Loving Someone Who Has Dementia: How to Find Hope While Coping with Stress and Grief, by Pauline Boss, Ph.D., a leading expert on caregiver grief.
